LET GLOBAL LOOK AFTER YOUR TIRES, RIMS, INTERIOR, EXTERIOR & MORE

KEEP YOUR CAR LOOKING AS GOOD AS NEW, WITH OUR ULTIMATE TIRE & RIM PACKAGE

You're covered for scraped or damaged rims and flat or damaged tires (including snow tires). We will cover cosmetic curb damage and the cost of mounting and balancing.

And that's just for starters.

The potholes and stones that are a big part of our roads today eventually take their toll on your car's appearance.

And while you can't avoid them, you can count on our **ULTIMATE Tire & Rim** packages to cover most of the damage caused by less than perfect road conditions.

Rip, Tear, Burn Puncture Repair

We'll keep your interior looking new, with protection against those unexpected rips, tears, burns or punctures on your upholstered seats.

Paintless Dent Repair

For those unsightly metal dings, dents, and scratches (up to 30 cm), Paintless Dent Repair will gently massage away the imperfections and restore your body panel to its original factory appearance.

Glass & Plexiglass Repair

To combat those minor chips and cracks caused by hazardous road debris, this includes the Windshield along with Headlight, Taillight, Foglight and Driving Light.
